## Recognizing Our Own: Technology Teacher

The teacher and student recognitions will be awarded each year at T.H.E. Symposium. One teacher and student from each of the 4-BOCES regions will receive this award. The applications will be reviewed by local technology coordinators and the MORIC staff, to determine the award recipients.

This award recognizes an outstanding teacher from the Mohawk Regional Information Center’s component districts, whom effectively uses technology with his/her students. If you wish to be considered, or wish to nominate someone else for this award, you must submit:

1. The completed application form
2. A detailed description or examples of how they use technology with students
3. Pictures, examples, or videos demonstrating the use
4. If self-nominating, a signed letter of recommendation from a supervisor, peer or faculty member who is familiar with your work.

NOTE: Be sure to include name of nominee and school district as well as contact information of the sender. Please email pictures, video, supporting examples to [sindermill@moric.org](mailto:sindermill@moric.org)
